### Father Time (feat Sampha) by Kendrick Lamar

I got daddy issues, that's on me  
Lookin' for, "I love you," rarely empathizin' for my relief  
A child that grew accustomed, jumping up when I scraped my knee  
'Cause if I cried about it, he'd surely tell me not to be weak  
Daddy issues, hid my emotions, never expressed myself  
Man should never show feelings, being sensitive never helped  
His mama died, I asked him why he goin' back to work so soon?  
His first reply was, "Son, that's life, and bills got no silver spoon"  
Daddy issues, fuck everybody, go get your money, son  
Protect yourself, trust nobody, only your mama'n'em  
This made relationships seem cloudy, never attached to none  
So if you took some likings around me, I might reject the love

...

Need assistance with the way I was brought up (ah, ah)  
What's the difference when your heart is made of stone  
And your mind is made of gold  
And your tongue is made of sword, but it may weaken your soul?  
My niggas ain't got no daddy, grow up overcompensatin'  
Learn shit 'bout bein' a man and disguise it as bein' gangsta  
I love my father for tellin' me to take off the gloves  
'Cause everything he didn't want was everything I was  
And to my partners that figured it out without a father  
I salute you, may your blessings be neutral to your toddlers  
It's crucial, they can't stop us if we see the mistakes  
'Til then, let's give the women a break, grown men with daddy issues
