

This Is How You Lose the Time War By Amal El-Mohtar & Max Gladstone

This novel follows two time-travelling agents through worlds and universes. They are rivals pitted against each other, Red from Agency and Blue from Garden. They are locked in a time war where there is only one way to end things. Watch their relationship transform in a series of secret letters and hidden meanings. It is a game of cat and mouse and a story of love, words, and art.
