### *Death on the Nile*

by Agatha Christie

Number of pages: 352

The tranquility of a cruise along the Nile is shattered when it is discovered that Linnet Ridgeway has been shot. Hercule Poirot, a seasoned detective, now finds his holiday disrupted and must find the killer before they strike again...

One of Christie's most beloved novels, *Death on the Nile* is a gripping murder mystery thriller, recently adapted for the screen starring Kenneth Branagh as Poirot and Gal Gadot as Linnet Ridgeway.

We recommend this book if you enjoyed the *Sherlock Holmes* series by Arthur Conan-Doyle, or the *Marple* series by Agatha Christie.

3. Were you surprised when you found out who the murderer actually was?

4. Why do you think Simon wrote the letter 'J' in blood at the crime scene?
